Klondike Gold is Coming

And although our readers may not get a share, yet we are glad to assist you in getting other gold by your own efforts. Now you want information on raising crops and fruits, the care of stock, and how to make the farm pay, which is nowhere found so liberally and interestingly presented as in *Farm, Field and Fireside*, Chicago, Ill., the largest and best dollar weekly farm paper in America, containing 32 to 40 pages of original matter weekly. If you farm you also raise poultry. Thousands of people are making a good living from poultry, and it can be done, but to do it requires experience and the benefit of the experience of others. The latter is found in *The Poultry Keeper* of Parkersburg, Pa., a very attractive 20 page monthly with its cover printed in colors. The name of its editor, P. H. Jacobs, is known to all successful poultry raisers as authority on the subject. Price 50 cents per annum. Mr. Jacobs has also prepared four great books covering every subject on which a poultry raiser wants information. They are "Poultry Keeper Illustrated No. 1," over 100 illustrations and in regard to poultry houses, incubators, brooders, coops, etc., 25 cents. "Poultry Keeper No. 2," over 75 illustrations, etc., about artificial incubation, raising chicks, testing eggs, etc., 25 cents. "Poultry Keeper Illustrated No. 3," poultry diseases, lice, gapes, moulting, egg eating, etc., 25 cents. "Poultry Keeper Illustrated No. 4," judging fowls, description of breeds, mating, etc., 25 cents. The surprising part is that we can give you *THE BOURBON NEWS, Farm, Field and Fireside* and *The Poultry Keeper*, all three one year and these four great books all for only \$2.50, cash in advance.

No Theory Here.

The greatest claims for S.S.S. (Swift's Specific) are made by those whom it has cured, and after all the most valuable reputation is one which is given by those who speak from experience. We could publish a page of what we claim S.S.S. will do, but the people prefer to read the testimony of reputable, well-known people in different parts of the country, who gladly tell of how S.S.S. has cured them of blood diseases, after trying other treatment in vain.

No wonder S.S.S. has such staunch friends. The experience of those who take it to-day will be the same as of those who twenty years ago found it the only cure. Blood diseases are obstinate, and cannot be cured by one medicine in a dozen which claims to cure them; so when S.S.S. is taken with satisfactory results, after a disappointing experience with other remedies, it is not strange that it has grateful friends by the score.

MR. WILLIAM SOWERS.

Mr. William Sowers, of Bradford, Ohio, was cured by S.S.S. ten years ago of a severe blood poison, and writes that to this day no sign of the dreadful disease has ever returned. He says:

"I had a terrible blood disease which is considered incurable, and was treated for a long time by the best physicians, but they did me no good. The disease seemed to get a firmer hold on me, and attacked my tongue and throat, which were soon full of vile ulcers.

"I changed doctors several times, and afterwards took nearly every blood remedy on the market, without the slightest benefit. After five years of treatment which did me no good whatever, I was induced to try S.S.S. This remedy proved itself equal to the case, for in a few months I was entirely cured and my skin was perfectly clear and smooth. I could hardly believe that the cure was permanent, but ten years have elapsed and no sign of the disease has yet appeared."

S.S.S. is a sure cure for Cancer, Catarrh, Contagious Blood Poison, Scrofula, Rheumatism, Eczema, and all other blood diseases, which other remedies have no effect whatever upon. It is sold by all druggists.

Purely Vegetable

and is the only blood remedy which is guaranteed to contain no mercury, potash or other harmful mineral. S.S.S. is sold by all druggists.

Books on Blood and Skin Diseases will be mailed free to all who address Swift Specific Company, Atlanta, Georgia.
